Schedule:

All Days: Building will open at 10:30am, Briefing at 11am. Trials to follow.

DO NOT ARRIVE EARLIER THAN 10:30AM AS WE DO NOT HAVE GENERAL ACCESS TO THE SPACE PRIOR TO THOSE HOURS PER OUR CONTRACT WITH THE FACILITY.

See page 3.

A lunch and other breaks may be taken at the judge's and/or club's discretion.

Help setting & cleaning up, & during the trial is greatly appreciated and makes for a much quicker day!

Most of these jobs are easy, but necessary for the trial to run. We are happy to train anyone! Thank you!!!

Please remember it is your responsibility to show up on time for your runs and be in the blind when your blind is being loaded. It is not our responsibility to run around trying to find people. The blind is loaded when the last dog of the blind before yours is in the ring. The blind will be closed when that dog finishes running (which can be rather quickly in some cases!). If you aren't there the blind will be closed and you will miss your run. Do not wait until the last minute to get/potty your dog. Be ready to go!

Parking:

IMPORTANT!!! DO NOT park in front of the K9cation lobby – leave room for K9cation clients to have priority parking. Otherwise, you will be asked to move. You are welcome to unload quickly and then move your car further. Keep an eye on your dogs and valuables in vehicles and be sure to lock your doors.

Garbage:

Please tie poop bags before throwing them in the garbage. DO NOT dispose of used poop bags inside the building. There will be garbage outside for poop bags and garbage cans inside the building for other garbage.

Crating:

There is room for indoor crating, although space may be limited. **Only soft or metal crates are allowed - no x-pens. All crates must have a top and bottom and MUST have a tarp/blanket/towel/mat underneath them, between the crate and the matted flooring. Please be careful about water/food/etc spillage on the mats. Dogs in the crating area need to be inside their crates with all doors closed unless entering or exiting the crating area. Please do not hang out in the crating area with your dog outside of their crate, so others can have space to get in and out without running into other dogs. Crates are okay to leave overnight.**

Late/Day of Show Entries:

Please check the event page on the RockyMountainRatters.com website for the most recent info. Please note that these counts are only current as of the date/time listed on the page. Available entries are first come first serve and subject to change at any time – they are NOT guaranteed!

Move-Ups:

Move-ups are available same-day except Sunday and must be submitted before the next class starts. See the trial secretary for more information.

RV Parking:

Exciting news! K9cation is allowing us to DRY CAMP on site. YOU MUST be respectful of the property, neighbors, and of K9cation clients and trial participants so we do not lose this privilege. Contact Jen@MatrixDog.com to reserve your spot. Matrix Dog, LLC, Rocky Mountain Ratters, and K9cation, LLC reserve the right to ask anyone not being respectful of others and/or property to leave with no refunds to trial entry fees in addition to the possibility of a misconduct hearing.

There are also several RV parks within 15 minutes from the trial site.

You are welcome to bring **chairs** but please put them in front of your crate and remember to protect the matting! **Dogs in the crating area must be in crates unless actively getting ready to leave or just returning.**

Dogs must be kept on lead in keeping with the leash laws. Please respect other people's property!

Per Barn Hunt Association rules: Dogs that are loud and disruptive may be asked to be located away from the rings/crating area.

Pottying: Please be sure to pick up after your dog. Do not let dogs pee on the building, garbage cans, dumpsters, cars/tires, or on any items that people have to pick up or is someone else's property! We want to be good neighbors! Please clean up any accidents in the building immediately, and with cleaner.

Bathrooms: There are indoor bathrooms on site.

Class/Ring Running Order:

All Days: Instinct1&2, Novice1&2, Open1&2, C81, Senior1&2, Master1&2, C82

Both classes run back to back (except C8). i.e. We will run all of Novice T1 and then all of Novice T2 before moving onto Open, etc. There is NOT a morning and an afternoon trial like some clubs do.

But What Time Will My Class Start?

We get a lot of questions on "when will my class start" for trials. We cannot give out times other than the start of the first class of the day. However, here is a way for you to estimate when your class MAY start running:

On RockyMountainRatters.com under the event page for these trials you'll find a "Judge Limits and Scheduling Chart".

Above, we give entry counts as of the pre-entry closing along with the order the classes will run.

You can multiply out the estimated judging time per run x the entries in each class to get a rough estimate. However, please note that this doesn't include absent dogs, move-ups, day-of-show/late entries, etc. And runs don't always last the "estimated" judging time per run. There are no refunds/credits/moves for missed runs. Calculate at your own risk!

SEE NEXT PAGE FOR PRE-ENTRY COUNTS FOR EACH CLASS

Pre-Entry Counts:

(This is only the entries that were submitted before pre-entry closing! These numbers are Subject to Change with Move-Ups, Late Entries and Day of Show Entries). It is your responsibility to be on time for your runs - we are not responsible if you miss your runs. **THIS IS NOT THE CLASS ORDER. SEE SECTION ABOVE FOR ORDER.**
